Dear Edith:

Little Jack wants me to write you that he is coming to see you & he is in love with the idea of seeing the baby. he wonders why we haven't one. He is here at the desk. He sometimes wants to go back to Aunt Sadie & Charlie's house & dont want to let Ava go to work. He follows me every where, is very bright. asks many questions. Sade phoned Ava yesterday that they missed him so. They say themselves that he is less trouble than Charlie. He has catarrah pretty bad. Hope Dal will better him. Archie was to see the lady you spoke of. so guess he will likely go with her. Appay telegraphed them concerning his expenses to go with Mrs. Evans, but think it was too late to get him ready. I want to make him a waisner pair bloomers for the house. Yours Lovingly. Lue.
